

Breathe Years after the Switch, life inside the Pod has moved on. A poor Auxiliary class cannot afford the oxygen tax which supplies extra air for running, dancing and sports. The rich Premiums, by contrast, are healthy and strong. Anyone who opposes the regime is labelled a terrorist and ejected from the Pod to die. Sixteen-year-old Alina is part of the secret resistance, but when a mission goes wrong she is forced to escape from the Pod. With only two days of oxygen in her tank, she too faces the terrifying prospect of death by suffocation. Her only hope is to find the mythical Grove, a small enclave of trees protected by a hard-core band of rebels. Does it even exist, and if so, what or who are they protecting the trees from?

Heroic 'For the past five weeks I'd prayed that I'd never see my brother's name spelt out in poppies. In the weeks that followed I often wished I had.' Jammy and Sonny McGann are brothers, but that's where the similarities end. One is calm when the other is angry; one has a plan while the other lives purely in the moment. When Jammy returns from Afghanistan a very different man to the one who left, it's Sonny who is left to hold things together. But just how far will he go to save the brother who always put him first? Inspired by S.E. Hinton's "The Outsiders" and by the battles facing young soldiers all over the world, this is a devastating novel about brotherhood and sacrifice.
