3 Practical Assessments

Course Information

Candidates are assessed on their performance in **three** practical activities chosen from at least **two groups**.

| | |
|----------------|--|
| Group 1 | Outwitting Opponents (game activities) |
| Group 2 | Accurate Replication (gymnastic activities) |
| Group 3 | Exploring and Communicating Ideas (dance activities) |
| Group 4 | Performing at Maximum Levels (athletics) |
| Group 5 | Identifying and Solving Problems (OAA) |
| Group 6 | Exercising Safely and Effectively (health & fitness) |

Candidates can choose to participate as a player/performer, official/referee or leader/coach for two of their assessments. However they can be assessed as a player/performer for all three assessments if this suits.

Candidates are assessed for Key Process A, B and C

Key Process A

Ability to perform basic skills/techniques in practise situations.

Key Process B

Effectiveness in a game situation, including tactical and positional awareness.

Key Process C

Ability to evaluate their own or others performance.

Activities undertaken outside the direct supervision of the centre must have DVD evidence of the performance.
