Dear Parent(s)/Carer(s)

You will recall that the school was inspected on 30 April and 1 May 2024. Until November 2020, the school had been exempt from routine inspection because it was judged as outstanding at its previous inspection under section 5 of the Education Act 2005. The school had therefore not been inspected under section 5 of the Act since June 2013.

I am delighted to now be able to inform you that the Heathland School retained its Outstanding grading for Overall Effectiveness.

During the various meetings with inspectors, numerous comments were made about the friendliness, positive attitude, work and behaviour of students who displayed our Core Values throughout the inspection, as they do every day. My thanks as well to parents/carers who took the time to complete the Parent View questionnaire.

I am incredibly proud of all the staff and students at the school for this wonderful outcome.

Attached to this letter is a copy of the Ofsted report and there will also be a link to the report on the school website once it has been published online by Ofsted.

Can I also draw your attention to some key dates for your diary.
