

# PHYSICS

- 1) Please use parent pay to pay a small contribution towards exercise book costs. They will be handed out in your first lesson and used to complete all work in.
- 2) **Please sign up to Isaac physics**

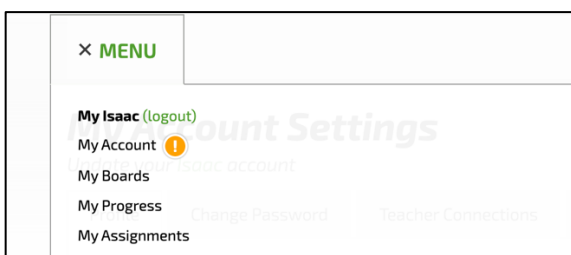

<https://isaacphysics.org/>

Press **log in** as shown in the picture below. Most of you will need to '**sign-up**' by **creating an account** (unless you have created an account in year 11). When creating this account please use your **first name** and **surname** as it would appear in the register

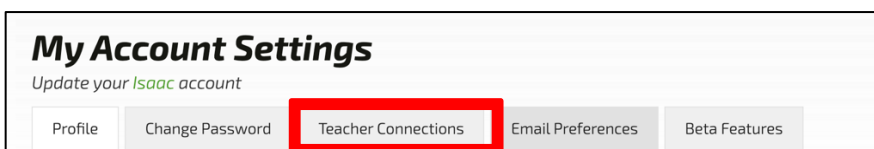

- 3) **Join the new y12 cohort's group**

First click on Menu > My Account

Then go to 'teacher connections'

Enter the code: **X2L9DJ**

## Teacher Connections

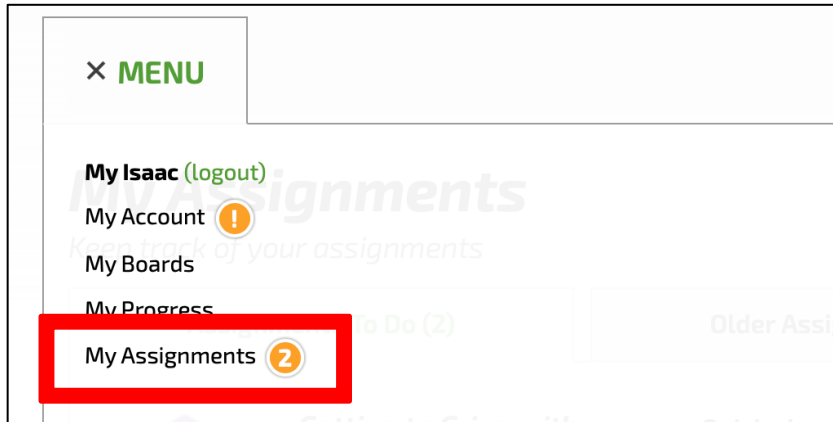

Enter the code given by your teacher to create a teacher connection and join a group.

### Teacher connections

You have no active teacher connections.

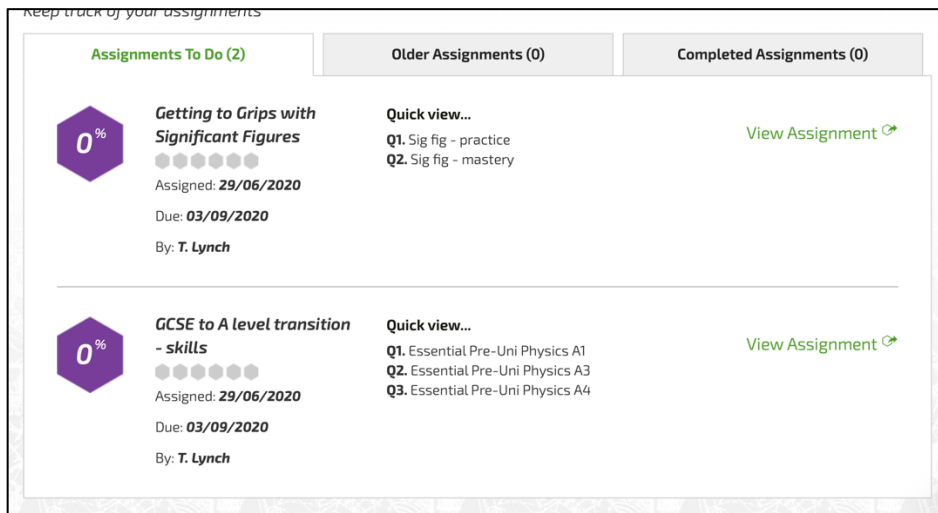

## 4) Complete the assignments before returning to school

Go to Menu > My Assignments

The screenshot shows a user menu with the following items: My Isaac (logout), My Account (with a warning icon), My Boards, My Progress, My Assignments (with a '2' notification icon and highlighted in a red box), and Older Assignments. The background features a large watermark that reads 'My Assignments Keep track of your assignments'.

Click on 'View assignment' and complete the questions on each tile of the assignment board

The screenshot shows an assignment board with three tabs: 'Assignments To Do (2)', 'Older Assignments (0)', and 'Completed Assignments (0)'. Two assignment tiles are visible under the 'Assignments To Do' tab:

- Getting to Grips with Significant Figures**: 0% progress, assigned 29/06/2020, due 03/09/2020, by T. Lynch. Questions: Q1. Sig fig - practice, Q2. Sig fig - mastery. [View Assignment](#)
- GCSE to A level transition - skills**: 0% progress, assigned 29/06/2020, due 03/09/2020, by T. Lynch. Questions: Q1. Essential Pre-Uni Physics A1, Q2. Essential Pre-Uni Physics A3, Q3. Essential Pre-Uni Physics A4. [View Assignment](#)

**Note: If you are having any technical issues signing up, please email [dwait@heathland.hounslow.sch.uk](mailto:dwait@heathland.hounslow.sch.uk)**
