Whichever group you join, during the evening you will have the opportunity to attend a tour of the school where you will be able to see our specialist rooms and facilities for different subjects and meet staff and pupils. The Heathland promotes clubs, activities and sports for all girls and boys and during your visit, you will see our newly laid Astroturf, Sports Halls, large fields, and tennis courts.

As always, here at The Heathland School we continue to be committed to excellence. The school has a long tradition of high achievement and 2025 has been another year of examination success. Most importantly, you can find out about 'The Heathland Experience' in an 'Outstanding' school.

Please note:

- There will be no parking on the school site for the evening
- The evening is not suitable for very young children
- There are limited numbers of tickets available for each Group; we would therefore advise that you book early

We look forward to meeting with you and your family.

Yours faithfully,

Mr J. M Rose
