

Flu community catch up clinics

If your child has missed their flu vaccination at school, you can book an appointment for their vaccine at one of our local community clinics.

Winter season is upon us, and with colder weather keeping us indoors and in close contact, it's easier than ever for the flu to spread.

Protect yourself, your loved ones, and your community by getting your flu jab today. The flu vaccine is your best defense against severe illness, hospitalisation, and missed work or school. Let's work together to keep everyone healthy this winter.

Stay Well:
