## Assessment Details

Controlled Assignment (Pupil Portfolio): 60%  
 Timed 10 hour piece and supporting studies: 40%

## Course Information

In order to meet all of the assessment objectives, students have the opportunity to work with a variety of media over 3 projects. The projects are designed by the department and will include portraiture, perspective, proportion and creating conceptual pieces of work.

Over both projects students develop use of the camera, studio equipment and use of the dark room for developing film. Students are also required to use a variety of Art related media when developing and refining their ideas. Use of drawing, painting, collage and photomontage, sewing are all employed to illustrate the pupils' development, research, ideas and recording. The pupils will create one or two final pieces. Pupils will have the opportunity to visit galleries and museums throughout the course. As young artists, pupil's work will be exhibited in a final exhibition at the end of the course.
